Dear Lieutenant Colonel Example:

Welcome to Heidelberg and the Europe Regional Medical Command. We look forward to you joining our team. Our mission is to ensure medical readiness for U.S. Forces in the European theater by projecting a healthy and protected force, deploying the medical force when required and providing accessible and world-class health care to soldiers, family members and other members of the armed forces community.

Teamwork is our cornerstone. Europe Regional Medical Command has personnel working in facilities throughout Europe; a medical center in Landstuhl, medical activities in Heidelberg and Würzburg, and twenty-eight outlying clinics throughout Germany, Italy and Belgium. We are constantly innovating and utilizing the latest in medical technology to enhance our delivery of care. We are also an integral member of the TRICARE-Europe team to manage healthcare throughout the region.

We hope that you will enjoy the opportunity to interact with diverse cultures throughout Europe and that you will take full advantage of the experience to live and work in Europe. In some locations, our personnel work closely with host-nation treatment facilities and multinational task forces. It is truly a special honor to serve as representatives of our country. Your experiences will, hopefully, be very fulfilling both professionally and socially.

You will be assigned a sponsor that will be available to help you and your family make a smooth transition to living in Germany. For added assistance, these points of contact are available to you in our personnel section:

LTC Victor Burnette: DSN 314-371-3360; Commercial: 011-49-6221-17-3360

Again, welcome to the team!

Sincerely,

RICHARD L. URSONE
